President's Message 2023

WELCOME BACK!!!

On behalf of the New Liskeard Agriculture Society, I would like to welcome you back onto the fairgrounds to attend our 121st New Liskeard Fall Fair. The New Liskeard Fall Fair is one of Northern Ontario's largest fairs featuring three action packed days of agricultural activities, animal shows, entertainment, and many other attractions.

This year's fair will showcase local talents in our homecraft, junior and horticulture sections, feature livestock shows and market sales, light and draft horse shows, and a variety of local entertainment including harvest queen and baby contests. Our agriculture awareness tent focuses on educating children of all ages in a fun and interactive manner. You also don't want to miss the midway, concessions, craft beer garden, and the chance to get out and enjoy quality time with your friends and family.

We would like to thank our many volunteers and sponsors who make our event possible. Without the support of our generous community, we would not have been able to make this event as successful as it is today.

We hope to see you out to enjoy the 2023 New Liskeard Fall Fair held on September 14th through to 16th! Please watch for upcoming information on this years special events and entertainment on our Facebook and Instagram pages, and our website at www.newliskeardfallfair.ca.

The New Liskeard Agricultural Society Annual Awards Banquet

Riverside Place, City of Temiskaming Shores

Friday October 20, 2023, Supper - 6:30 pm | Awards - 7:30 pm

Prize money from the New Liskeard Fall Fair will be handed out at this time.

KIDS' PARADE

The New Liskeard Fall Fair has designated Friday as Kids' Day. On Friday afternoon immediately following lunch, approximately fifteen hundred school children march from New Liskeard Public School to the Fairgrounds, highlighting the theme for the year, portraying their favourite character, pulling their best dressed wagon.

Since the Participation Award is much sought after during the event, the cheers for their school drown out all other sounds as they march along the streets. Brochures are sent to all schools in June outlining the Fair theme and parade route plans. Then a follow-up newsletter is sent out as a reminder during the first week of school. All of the children who participate in the parade are given free admission to the Fair, enjoy a Treasure Hunt courtesy of local merchants, and end the afternoon with a free Midway ride donated by our many local sponsors.

Be sure to watch for updates and join in the fun during Kids' Day at the New Liskeard Fall Fair!

HARVEST QUEEN PAGEANT

A message from your 2022 Harvest Queen

Coming from someone who loves summer, don't dwell on its end; instead, be excited for the New Liskeard Harvest Queen pageant in September. It's an excellent opportunity to improve your public speaking, support local businesses, and become engaged in the community. Additionally, I encourage others from my community to participate in this empowering event. I have grown more confident by putting myself out there and serving as a role model for young kids. When little children approach you during the Fall Fair Parade and the Santa Claus Parade asking for your picture, and you notice their jaws dropping, it is an unforgettable experience. Making a name for oneself is the first step towards making a change; thus, I fully endorse anyone on the fence to sign up.

By winning the pageant, you automatically advance to the Miss Ontario Regional Canada Scholarship Pageant, which I will be attend in May 2023. This has allowed me to connect with female leaders from all over Ontario and kindle new friendships. I want to extend my sincere gratitude to Hannah Caldwell, our 2014 Harvest Queen, who assisted the participants with the opening dance number, taught us how to proudly walk tall, elegantly take the appropriate position when responding to questions, and motivationally calmed our nerves. A bigger thank you to Sharron Graydon, who hosted all the meetings with a friendly smile and lots of snacks! Without her, none of this would have been possible.

To future contestants and queens, although it can be difficult sometimes, you won't regret participating in this pageant. Enjoy the journey as much as possible, and perform from your heart. Instead of viewing it as a contest, consider it an unforgettable experience.

Your 2022 Harvest Queen,

Mary-Jaye Ethier

HARVEST QUEEN PAGEANT

Each year the New Liskeard Fall Fair and Friends of Festivals sponsor the Harvest Queen Pageant. The Pageant is held throughout the month of August with judging completed on Thursday and Friday evening of the Fall Fair.

A total of fifteen young women aged sixteen to twenty-two compete for the title of "Harvest Queen" to represent the Temiskaming region at the CNE the following year. The royalty also includes "1st" and "2nd Princess" and "Miss Congeniality". The contestants

enjoy a get acquainted Pool Party, and 3x weekly dance practices for their opening routine. Once Fair week arrives the contestants are kept busy with many additional activities. Monday night is a fitness competition; Wednesday night is interviews, followed by a Social with parents and sponsors. Thursday the contestants compete in the Talent Show and Friday night is the Fashion Show and Crowning.

The Harvest Queen Pageant is an excellent opportunity for young women of our area to gain self-

esteem, confidence, meet new friends and have fun with an amazing group of young women. The Pageant also helps prepare them for the future as they are each interviewed by a group of five judges.

Forms are available mid-July. For further information call 705-647-8005 or email sharrongraydon@gmail.com Sharron Graydon, Harvest Queen Director

LIGHT HORSE DIRECTOR: Don Crawford, 705-647-1810

LIGHT HORSE ASSOCIATE: Sylvie Rioux, Kiara Crawford

LIGHT HORSE GENERAL RULES

1. Exhibitors may enter two entries in each class, except in the showmanship classes, where only one entry is allowed.
2. **ENTRY DEADLINE:** All entries are to be registered by no later than Tuesday of Fair week. They can be mailed at the Fair office (located in the curling club) on Tuesday of Fair week. Show numbers will be given to the exhibitor prior to their event (please come into the Office approx. one hour before your show time to pick up your show #). A deposit of \$2 per number will be taken to ensure that all show numbers are returned once the exhibitor has finished showing.
3. If your entries are pre-registered and your entries total more than \$5.00 for the day you show, you will receive a pass for that day only. If your entries are pre-registered, and you are keeping your horse in the barn overnight and your entries for the weekend total more than \$10.00, you will be provided with one weekend pass. Extra passes are available for helpers, workers, etc. at the rate of \$25.00 per pass. Each vehicle requires a parking pass. They can be purchased at the rate of \$20.00 per pass per vehicle. Please indicate on your registration form how many passes you require and enclose the amount with your registration fees.
4. **Light Horse Barn Stalls are based on 1st registration with payment.** Registrations for stalls can be made on the Light Horse Stall Rental form. **Stalls are available at a cost of \$10 per stall, per night.** Stalls are limited and overnight rentals take precedence over day time rentals. One bag of shavings is donated from Leis Wood Products for each stall rented. Only shavings are allowed for bedding and are the responsibility of the competitor.
5. Post entries will be accepted until one hour before the start of each division. Thereafter, a \$10 per class penalty will be added to the entry fees. **NOTE: ALL REGISTRATIONS WILL BE TAKEN IN THE FAIR OFFICE (LOCATED ON SITE WITHIN PARAMETERS OF THE GATES). NO REGISTRATIONS WILL BE TAKEN AT THE RING OR OVER THE PHONE!**
6. In line classes, prize money and points will be paid/awarded to the exhibitor/owner. In the riding classes, prize money and points will be paid/awarded to the rider. Separate entry forms and exhibitor numbers for line classes and riding classes are therefore required if the horse/pony show is not being handled or ridden by its owner.
7. Stallions must be shown and/or handled by someone 18 years of age or older at all times and may only be shown in saddle or harness classes (exception foal of current year and yearling).
8. Animals must be in good health or, after consultation with a veterinarian, may be asked to leave the show.
9. All livestock must remain on the Fairgrounds until judging is completed in each respective class or the exhibitor will forfeit the prize money.
10. All horses and ponies must have a suitable halter and tie shank while on the Fairgrounds, and all horses and ponies must be halter broke and able to tie, for safety reasons.
11. While the Directors will take every reasonable precaution to ensure the safety of the animals, it is distinctly understood that owners must take the risk of exhibiting the animals and if any animal is injured stolen or strays, the Director will offer whatever assistance is in their power towards the recovery of the lost or strayed animal but will make no payment in whole or in part for the value thereof. The Director and Associate Directors will not be held responsible for any accident on the Fair grounds.
12. **ALL ANIMALS SHOWN AT THE NEW LISKEARD FAIR MUST HAVE LIABILITY INSURANCE. Bring in a copy of insurance policy when doing entries so that we have it on file.**
13. All western performances and western games will be judged as per the current year WHAO (Western Association of Ontario) rules. All English performances and hunter/jumper classes will be judged as per the current year Equine Canada (section R-G). New Liskeard Fall fair rules as to size, age, along with any other amendments will take precedence should the need arise.
14. The judge's decision is final. If an exhibitor has any questions they are to ask the Ring Steward to approach the judge on their behalf.
15. Judge's Notes - in the absence of completion in any section or if an entry is of inferior quality the judge may award only such prize as they deem the entry worthy.
16. There must be at least two entries in a class for the class to run. If not, classes will be combined at the discretion of the Director.
17. All entries are asked to be ready at the gate and enter promptly when their numbers are called. The classes' order of go will be announced at the beginning of the class and/or posted in the warm up area. Competitors are asked to notify the announcer's booth of their intentions to scratch from a class prior to that class beginning.
18. In the event of a complaint, which cannot be settled by the Director, the exhibitor lodging the complaint must do so **IN WRITING** with a cheque for \$25.00 payable to the New Liskeard Agricultural Society within two weeks of the completion of the Fair.
19. A Coggins test will not be required.
20. All prize money will be paid by cheque at the awards Banquet, held in October. If you do not attend the Awards Banquet, your cheque will be mailed to you in early November.
